VENDOR RECOMMENDATIONS

Looking for a photographer who'll know that iconic SLO spot perfect for your sunset photos...want to offer a laid back taco bar with an amazing salsa spread and homemade tortillas? We've got you covered! Our Vendor Recommendation packet offers a thoughtfully curated list of some of the best hospitality professionals in the area.

With over a decade in the events industry and thousands of events under our belt, our team has the experience and knowledge to spot when a vendor is top notch, and we love being able to connect our clients with these pros! From floral design to specialty lighting, and everything in between, we've curated a comprehensive list of vendors with a expertise and a passion for their craft. It is our hope that our clients can utilize these recommendations to build a strong team that they can trust to execute their vision. Our team loves working with our clients to offer insight into specific vendor recommendations, always taking your events logistics, budget, and needs into account. Please don't hesitate to reach out to share your vision with us so we can help guide you towards vendors that might be a good fit!
